**Caleb**: Yo, drinkin' me a Genesee, fool.
**me**: very well
**me**: did you see that exchange with D?
**Caleb**: I saw it.
**Caleb**: Doesn't mean I read it.
**Caleb**: So, what am I supposed to be looking at here?
**me**: start from the bottom
**Caleb**: The one from Krista.
**Caleb**: "couple of things remaining of fact checking..."
**Caleb**: And then your respectful reply.
**me**: yes
**me**: noting that the entirely wrong number of attendees was added by the editor
**me**: and then the other thing
**Caleb**: It's _D_ _Magazine_.
**Caleb**: Not _Foreign Policy_.
**me**: Foreign Policy sucks too
**me**: I just did an article for Skeptical Inquirer about this totally wrong article they ran
**Caleb**: Probably because they put too much blind trust in their freelancers.
**Caleb**: Unlike a certain publication of North Texas I could name.
**Caleb**: *out of.
**me**: it wasn't a freelancer, guy is an associate editor or some such
**Caleb**: What are you?
**me**: I'm a freelancer
**Caleb**: Holy shit!
**Caleb**: Then _you_ must be the mysterious freelancer I was referring to in that totally cryptic sentence!!!
**me**: no, try reading it again
**me**: "Probably because they put too much blind trust in their freelancers."
**me**: in reference to Foreign Policy
**me**: the bad article of which was written by an editor
**Caleb**: Listen.
**Caleb**: As a member of the establishment media
**me**: MSM
**me**: MSM
**Caleb**: I don't have time to listen to you gripe about the establishment media.
**me**: MSM MSM MSM MSM
**Caleb**: lamestream.

**me**: so
**me**: that GOP document
**Caleb**: The pledges of America?
**me**: the contract with America o what have you
**me**: for some reason it really pissed off Red Stare
**me**: particularly Erick Erickson
**Caleb**: I've heard.
**me**: kind of strange
**Caleb**: And _American Spectator_.
**Caleb**: From what I understand, it doesn't give much deference to the social conservatives.
**me**: that didn't seem to be the main issue, oddly
**Caleb**: Lack of actual specifics?
**me**: one was that it's too long
**Caleb**: Like the 9,000 page obamacare.
**Caleb**: nobamacare.
**me**: at any rate, the discussion did a good job of keeping people from paying attention to the declassified "how start?" documents
**Caleb**: Yeah, I was gonna ask you about that.
**Caleb**: If, say, I wanted to read that whole thing
**Caleb**: where start?
**Caleb**: HAHAHAHAHAHAHAAHHAAHAH!!!!
**me**: I DON'T GET IT
**me**: OH WAIT NOW I DO
**Caleb**: So, I've been at my job for two and a half weeks now.
**Caleb**: And I don't have any terrible stories to relate about any terrible coworkers.
**Caleb**: And my paycheck from one week's worth of work was only slightly less than two weeks' at the old place.
**Caleb**: Holla.
**me**: by the way, how about you start up a Google doc and put down notes on all the retarded stuff that happened at your station while it's fresh in your mind
**me**: you know with my assistance you could write a book on it
**me**: and get a deal
**Caleb**: With your assistance?
**Caleb**: Nigga, please.
**Caleb**: Posted on Sullivan's blog:
**Caleb**: http://news.yahoo.com/s/csm/20100921/ts_csm/327178
**me**: yeah, I know, it was on reddit like two days ago
**Caleb**: I just got my Internets yesterday.
**Caleb**: So there.
**Caleb**: DSL holla!!
**me**: EVERYBODY WHO SEEN THE LEPRECHAUN SAY YEAH'
**Caleb**: Hey, Barrett!

**Caleb**: You should come up to Maine and live on my floor!
